Faculty comment:

1. Groups are made for improving the collaborative learning.
2. Seminars are planned to improve communication skills.
3. Pre requisit classes are taken to understand the present ongoing topics.
4. Special care is taken to slow learners.

HoD comment:

Solve pre-requisites from EO before the topics are covered from current semester.

The feedback is impressive being on a scale of 4 and 5 on 5. However, the slow learners and backlog students need to be given one on one sessions for better performance.

The overall feedback is good. However, teachers are informed to take some extra tutorial and remedial classes. Need more focus on slow learners.
