

# STANLEY COLLEGE OF ENGINEERING & TECHNOLOGY FOR WOMEN (AUTONOMOUS)

(Approved by AICTE & Affiliated to Osmania University, Accredited by NBA & NAAC 'A' Grade)

## Policy Document on Environment And Energy Usage

National energy policy sets the major framework necessary to secure a sustainable and efficient energy industry. Moreover Governments, Educational Institutions and Industry are committed to comply with international regional and supra-regional agreements to secure a clean environment, security of energy supply and the efficient use of energy.

The environmental problems directly related to energy production and consumption include air pollution, climate change, water pollution, thermal pollution, and solid waste disposal.

“The Environment and Energy usage policy of Stanley College of Engineering & Technology for Women (Autonomous) is to manage energy in a systematic way to minimize its adverse impact on the environment”.

The policy helps to realize our responsibilities and commitment to conservation of natural resources and limit to its usage. The college regularly encourages to participate in green literacy programs to save energy and to protect the environment.

### Policies:

- To reduce local air pollution, by restricting outside vehicles into campus.
- To provide, healthy and ambient atmospheric environment in campus.
- To install LED bulbs in the campus to save energy.
- To facilitate, waste management mechanism across campus.
- To encourage, facilitate plantation in our campus events.
- To encourage employees and students in engaging in initiatives which contribute to environmental protection.

This policy will be communicated to students and employees via internal communication channels.

### Eco Friendly Ganesha Event

We Stanley students and Faculty raised fund by selling Eco-friendly mud idols of Ganesha were bought at zero expense from a trusted source and sold in and around the college. Faculty, students and several other people supported us by buying the idols, all the while promoting eco-friendly products, and joining us in our mission to serve the society.

Event location: Stanley college of engineering and technology for women (Abids)
