Alumni Meet – 2021 Report

As we all know that at an **alumni meet**, all the former graduates of a particular institution get together and cherish their past experiences and moments.

Our Institution Stanley College of Engineering & Technology organized its seventh alumni meet on the 24th of April, 2021 virtually through Google meet. For all of its former graduates.

The day started by the welcome note by Mrs.B.Gnana Prasuna, alumni Coordinator. Chief guests for the day were Director Sir Dr. Vinaya Babu and Principal Sir Dr. Satya Prasad Lanka and the dignitaries beloved HODs Dr. Ramana Murthy-CSE, Dr. Kanika Durga-IT, Dr. Gopal Sharma-ECE, Dr. Raj Gopal-EEE, Dr. with our main co-ordinator Mrs.B.G.Prasuna.

Then we had a session where our Director Sir and Principal Sir spoke to them. The alumni were then informed about the milestones that our college has reached in the past one decade by our Principal Sir. Then they were introduced to the Alumni Committee of our college. Then the alumni came spoke about their experiences about how Stanley paved their ways towards success, and how happy and blessed they were to be a part of such an Institution which left no stone unturned in making its student better human beings and worthy citizens.

The day came to an end. But will surely be remembered for a life time.
