

1.3.3 Percentage of programmes that have components of field projects/research projects/internships during the last five years

As per the findings of DVV here we are providing

- (1) Syllabus of the program highlighting components of field projects/research projects/internships
- (2) Internship completion certificate given to the students by the host organization of the various Departments

| S.No | Name of the Department | Page Nos. |
|------|---|-----------|
| 1 | CSE-Artificial Intelligence & Data Science | 1-12 |
| 2 | CSE-Computer Engineering | 13-25 |
| 3 | Computer Science and Engineering | 26-37 |
| 4 | Electronics and Communication Engineering | 38-51 |
| 5 | Electrical and Electronics Engineering | 52-62 |
| 6 | Information Technology | 63-73 |
| 7 | Department of Business Management | 74-79 |
| 8 | M.E (Electronics and Communication Engineering, Specialization in Embedded Systems) | 80-85 |
| 9 | M.Tech (Computer Science and Engineering) | 86-93 |

| Keywords | Definition |
|-----------------|--|
| HS | Courses offered in the area of humanities and social sciences like communication & managerial skills. |
| BS | Courses of foundational nature in the areas of Mathematics, Physics, Chemistry, Biology etc. |
| ES | Courses belonging to the basic evolutionary aspects of a Particular Engineering from all other branches of Engineering. |
| PC | Courses that are fundamental and compulsory constituents of the respective engineering discipline. |
| PE | Courses those are discipline-specific to stream line the graduates to different emerging fields as per their choice. |
| OE | Courses of interdisciplinary nature offered to all the students of various programmes across the Institute. |
| PW | To make a perfect, Hands-on experienced Professionals. |
| MC | Compulsory non-credit courses that a student need to study to become a responsible citizen, as per supreme court guidelines. |
| AC | Audit courses can help the student to get awareness of different issues which enhance their skill sets to improve their employability. |

FACULTY OF ENGINEERING
Scheme of Instruction & Examination

For
Four Year Degree Programme of
Bachelor of Engineering (B.E.)

In
ELECTRONICS AND COMMUNICATION
ENGINEERING

(Accredited by NBA)

(With effect from the academic year 2021-22)

Estd. 2008

STANLEY COLLEGE OF ENGINEERING
AND TECHNOLOGY FOR WOMEN
(AUTONOMOUS)

(Affiliated to Osmania University)

(Accredited by NAAC with "A" Grade)

ABIDS, HYDERABAD-500001, **Telangana.**

Stanley College of Engg. & Tech For Women
Chapel Road, Abids, Hyderabad-01.
College Code: 1606

| Abbreviation | Meaning |
|--------------|---|
| HS | Humanities, Social Sciences and Management |
| BS | Basic Sciences including Mathematics, Physics and Chemistry |
| ES | Engineering Sciences including Workshop, Drawing, Basic Electrical / Electronics |
| PC | Professional Core Courses |
| PE | Professional Elective Courses |
| OE | Open Elective Courses |
| PW | Project Work |
| MC | Mandatory Courses |
| AC | Audit Courses |
| PY | Philosophy |
| EC | Electronics and Communication Engineering. |
| CE | Civil Engineering, |
| MP | Mechanical / Production Engineering |
| IT | Information Technology |
| CS | Computer Science Engineering |
| EE | Electrical and Electronics Engineering |
| CM | Computer Engineering |
| AD | Artificial Intelligence and Data Science |
| L | Lecture |
| T | Tutorial |
| P | Practical |
| G | Grade |
| D | Drawing |
| CIE | Continuous Internal Evaluation |
| SEE | Semester End Evaluation |
| | Each contact hour is a clock hour |
| | The duration of the Practical class is two hours; however, it can be extended wherever necessary, to enable the student to complete the experiment. |

 Stanley College of Engg. & Tech For Women
 Chapel Road, Abids, Hyderabad-01.
 College Code: 1606

| Keywords | Definition |
|----------|--|
| HS | Courses offered in the area of humanities and social sciences like communication & managerial skills. |
| BS | Courses of foundational nature in the areas of Mathematics, Physics, Chemistry, Biology etc. |
| ES | Courses belonging to the basic evolutionary aspects of a Particular Engineering from all other branches of Engineering. |
| PC | Courses that are fundamental and compulsory constituents of the respective engineering discipline. |
| PE | Courses those are discipline-specific to stream line the graduates to different emerging fields as per their choice. |
| OE | Courses of interdisciplinary nature offered to all the students of various programmes across the Institute. |
| PW | To make a perfect, Hands-on experienced Professionals. |
| MC | Compulsory non-credit courses that a student need to study to become a responsible citizen, as per supreme court guidelines. |
| AC | Audit courses can help the student to get awareness of different issues which enhance their skill sets to improve their employability. |

 Stanley College of Engg. & Tech For Women
 Chapel Road, Abids, Hyderabad-01.
 College Code: 1606

List of Professional Electives

Professional Elective -1

| S.No | Course Code | Domain | Name of the Course |
|------|-------------|------------------------|---|
| 1 | SPE501EC | IoT | Real Time Operating Systems |
| 2 | SPE502EC | VLSI | Analog VLSI Design |
| 3 | SPE503EC | Wireless communication | Satellite Communication And RADAR Engineering |
| 4 | SPE504EC | Image processing | Array signal processing |
| 5 | SPE505EC | ML & DS | Information Theory Coding |

Professional Elective -2

| S No | Course Code | Domain | Name of the Course |
|------|-------------|------------------------|----------------------------------|
| 1 | SPE506EC | IoT | Robotics Automation |
| 2 | SPE507EC | VLSI | Low Power VLSI Design |
| 3 | SPE508EC | Wireless communication | Wireless Ad Hoc Sensor Networks |
| 4 | SPE509EC | Image processing | Modern digital signal processing |
| 5 | SPE 510 EC | ML & DS | Soft Computing Techniques |

Professional Elective -3

| S No | Course Code | Domain | Name of the Course |
|------|-------------|------------------------|-------------------------------|
| 1 | SPE511EC | IoT | Embedded Security |
| 2 | SPE512EC | VLSI | ASIC Design |
| 3 | SPE513EC | Wireless communication | Spread Spectrum Communication |
| 4 | SPE514EC | Image processing | Digital image processing |
| 5 | SPE515EC | ML & DS | Statistical Data Analysis |

Professional Elective -4

| S No | Course Code | Domain | Name of the Course |
|------|-------------|------------------------|---|
| 1 | SPE 516EC | IoT | IoT Protocols |
| 2 | SPE 517 EC | VLSI | Design For Testability |
| 3 | SPE 518 EC | Wireless communication | Telecommunication Switching, Traffic & Networks |
| 4 | SPE 519 EC | Image processing | Multi-rate signal processing |
| 5 | SPE 520 EC | ML & DS | Artificial Neural Networks |

Professional Elective -5

| S No | Course Code | Domain | Name of the Course |
|------|-------------|------------------------|---------------------------------|
| 1 | SPE 521 EC | IoT | Smart Cities |
| 2 | SPE 522 EC | VLSI | Mixed Signal Circuits & Systems |
| 3 | SPE 523 EC | Wireless communication | Radio Navigation Systems |
| 4 | SPE 524 EC | Image processing | Speech and video processing |
| 5 | SPE 525 EC | ML & DS | ML and Advanced ANN Models |

List of Open Electives

 Stanley College of Engg. & Tech For Women
 Chapel Road, Abids, Hyderabad-01.
 College Code: 1606

| Open Elective -1 | | | |
|------------------|-------------|--|----------------------------------|
| S No | Course Code | Name of the Course | Course Offered By the Department |
| 1 | SOE 601 EE | Illumination and Electric Traction systems | EEE |
| 2 | SOE 602 IT | Operating Systems | IT |
| 3 | SOE 603 CS | OOP using Java | CSE/CME/AIDS |
| 4 | SOE604CM | IAFM | MBA |
| 5 | SOE 605ME | Industrial Robotics | Mechanical Engineering |

| Open Elective -2 | | | |
|------------------|-------------|----------------------------------|----------------------------------|
| S No | Course Code | Name of the Course | Course Offered By the Department |
| 1 | SOE606 CM | Digital Marketing | MBA |
| 2 | SOE607CS | Data Science Using R Programming | CSE/CME/AIDS |
| 3 | SOE 608IT | Cyber Security | IT |
| 4 | SOE 609 AD | Data Base Management | AIDS |
| 5 | SOE 610EE | Non-Conventional Energy Sources | EEE |

| Open Elective -3 | | | |
|------------------|-------------|------------------------------|----------------------------------|
| S No | Course Code | Name of the Course | Course Offered By the Department |
| 1 | SOE 611ME | Mechatronics | Mechanical Engineering |
| 2 | SOE 612CE | Road Safety Engineering | Civil Engineering |
| 3 | SOE 613IT | Software Engineering | IT |
| 4 | SOE 614CE | Disaster Management | Civil Engineering |
| 5 | SOE 615CM | Intellectual Property Rights | MBA |

| Open Elective -4 | | | |
|------------------|-------------|------------------------------------|----------------------------------|
| S No | Course Code | Name of the Course | Course Offered By the Department |
| 1 | SOE 616CE | Geo Spatial Techniques | Civil Engineering |
| 2 | SOE 617EE | Reliability Engineering | EEE |
| 3 | SOE 618EE | Basics of Power Electronics | EEE |
| 4 | SOE 619HS | Soft Skills & Interpersonal Skills | H & S |
| 5 | SOE 620CM | Entrepreneurship | MBA |

| Open Electives not for ECE | | |
|----------------------------|-------------|---|
| S No | Course Code | Name of the Course |
| 1 | SOE621EC | Signal Analysis and Transforming Techniques |
| 2 | SOE622EC | Digital System Design Using Verilog HDL |
| 3 | SOE623EC | Internet Of Things |
| 4 | SOE624EC | Embedded Systems |
| 5 | SOE625EC | Fundamentals of IOT |

 Stanley College of Engg. & Tech For Women
 Chapel Road, Abids, Hyderabad-01.
 College Code: 1606

| Keywords | Definition |
|----------|--|
| HS | Courses offered in the area of humanities and social sciences like communication & managerial skills. |
| BS | Courses of foundational nature in the areas of Mathematics, Physics, Chemistry, Biology etc. |
| ES | Courses belonging to the basic evolutionary aspects of a Particular Engineering from all other branches of Engineering. |
| PC | Courses that are fundamental and compulsory constituents of the respective engineering discipline. |
| PE | Courses those are discipline-specific to stream line the graduates to different emerging fields as per their choice. |
| OE | Courses of interdisciplinary nature offered to all the students of various programmes across the Institute. |
| PW | To make a perfect, Hands-on experienced Professionals. |
| MC | Compulsory non-credit courses that a student need to study to become a responsible citizen, as per supreme court guidelines. |
| AC | An audit course (Non-credit) facilitates the student to get awareness of different issues which enhance their skill sets to improve their employability. |

Stanley College of Engg. & Tech For Women
Chapel Road, Abids, Hyderabad-01.
College Code: 1606

| Keywords | Definition |
|-----------------|--|
| HS | Courses offered in the area of humanities and social sciences like communication & managerial skills. |
| BS | Courses of foundational nature in the areas of Mathematics, Physics, Chemistry, Biology etc. |
| ES | Courses belonging to the basic evolutionary aspects of a Particular Engineering from all other branches of Engineering. |
| PC | Courses that are fundamental and compulsory constituents of the respective engineering discipline. |
| PE | Courses those are discipline-specific to stream line the graduates to different emerging fields as per their choice. |
| OE | Courses of interdisciplinary nature offered to all the students of various programmes across the Institute. |
| PW | To make a perfect, Hands-on experienced Professionals. |
| MC | Compulsory non-credit courses that a student need to study to become a responsible citizen, as per supreme court guidelines. |
| AC | An audit course (Non-credit) facilitates the student to get awareness of different issues which enhance their skill sets to improve their employability. |

INTERNSHALA TRAININGS

Certificate of Training

Gangadgara Bhargavi

from Stanley College Of Engg And Tech For Women, has successfully completed a six weeks online training on **Machine Learning**. The training consisted of Introduction to Machine Learning, Data, Introduction to Python, Data Exploration and Pre-processing, Linear Regression, Introduction to Dimensionality Reduction, Logistic Regression, Decision Tree, Ensemble Models and Clustering (Unsupervised Learning) modules. In the final assessment, Gangadgara scored 76% marks. We wish Gangadgara all the best for the future endeavours.

Hyderabad

Subject: Internship Completion Letter

Dear Maheshwari,

Congratulations!

We are pleased to certify that you have successfully completed the Unirac University Program from 08th May 2023 to 04th June 2023 at Unirac Hyderabad.

During the internship tenure, Maheshwari was provided training on Data Management. And we found her extremely inquisitive and hard working.

Her association with Unirac was a fruitful one, and we wish her the best for future endeavours.

Best Wishes.

DEVBOX TECHNOLOGY

Solutions for tomorrow

Certificate of completion

Date: 11th August 2023

Congratulations!

This is to certify that

Tadisetti Baby Vijaya Shree, has successfully completed an internship with DevBox Technology as a full stack developer (PHP).

During this internship period, he has actively participated in various projects and demonstrated commendable dedication and enthusiasm and showed a strong willingness to learn and adapt, contributing significantly to the team's goals and objectives.

We commend for his exceptional performance, teamwork, and the valuable insights they brought to our organization. They exhibited a high level of professionalism and contributed positively to the work environment.

Internship start Date: 3rd May 2023

Internship end Date: 3rd August 2023

Technology: PHP full Stack

Role: PHP Intern.

We wish her all the best in their future endeavours and are confident that their skills and knowledge will continue to flourish. We extend our heartfelt gratitude for their valuable contribution to our organization.

Best Wishes,

Ankur Raj

Internship Completion Certificate

This is to certify that *Sana Moiz* has successfully completed the Cyber Security course offered by SkillVertex beginning 1st May 2023 & ending 31st May 2023, which covers the fundamental concepts and applications of Cyber Security.

Certificate awarded for the successful completion of the Project on Network Security Assessment, showcasing exemplary skills and dedication in its execution.

The course covered a wide range of topics, including network security, cryptography, threat analysis, risk management, and other related fields. *Sana Moiz* has demonstrated a deep understanding of these concepts and has shown an ability to apply them to real-world problems.

During the course, *Sana Moiz* actively participated in all learning activities, including lectures, discussions, assignments, and projects. [He/She] consistently demonstrated a high level of engagement and critical thinking skills, which resulted in [his/her] outstanding performance throughout the course.

As such, *Sana Moiz* has met all the requirements of the Cyber Security course and is hereby awarded this certificate of completion.

We wish *Sana Moiz* all the best in [his/her] future endeavors and hope that the knowledge gained from this course will enable [him/her] to excel in the field of Cyber Security.

INTERNSHIP OFFER

17th May 2023

To,

Poreddy Vara Sreeja,

2-51/1 J P Nagar, Moosapet, Near

Swamanjali High School, Balanagar, K. V

Rangareddy, Telangana- 500018

Dear Sreeja,

It is our pleasure to extend an offer to join as a summer intern at Prodigy Systems & Services Pvt, Ltd.

During your internship, you may have access to trade secrets and confidential business information belonging to the company. By accepting this offer, you acknowledge that you must keep all of this information confidential, and refrain from using it for your own purposes or from disclosing it to anyone outside the company. In addition, you agree that, upon conclusion of your internship, you will immediately return to the company all of its property, equipment, and documents, including electronically stored information.

The Terms of engagement are as follows:

1. Period of Engagement: 2 months
2. Reporting Time: 9:30A.M
3. As discussed, your internship with us will be unpaid. We understand that this can be difficult, but we believe it's important for both parties to assess the fit.
4. After the successful completion of your internship, based on your performance and feedback from your respective leads, company will share a feedback letter to conclude the internship.

Hello Mr. Yuktesh,

Thanks for your email!

Dear Sir,

Greetings from TheSmartBridge |

Principal
Stanley College of Engg. & Tech. for Women (A)
Chapel Road, Abids, Hyderabad-500 001.

We are proud to introduce you our flagship program, **Summer Internship Program 2020**,
An intensive 4 week learning & development program to upskill students with emerging technologies and make them industry ready.

| Week 1 - 2 | Week - 3 | Week - 4 |
|-------------------|---------------------|---------------------|
| Hands on Training | Project Development | Developer Challenge |

Key Internship Roles:

- Artificial Intelligence Developer
- Machine Learning Engineer
- Internet of Things Engineer
- Blockchain Developer
- Cloud App Developer

Key Benefits to the Students:

- Training Certificate in collaboration with IBM on respective technology.
- Project Completion Letter.
- Internship Letter 1 month.
- An opportunity to work on and get project completion letter from the real time Industry.
- Invaluable Knowledge and expertise on the emerging technology.
- Access to Smart Practice School for effective project based learning and industry interaction.
- Potential Resume Builder, Kickstarter to a successful career.

If you are interested to refer students to the central venues across major cities, we request you to share the following link to the students :
www.thesmartbridge.com/sip2020

Else, Interested to conduct it at your own campus with amazing perks attached to it
Follow the document attached herewith. P.F.A

Hoping that, together we can help the students to upskill themselves on emerging technologies and build the next gen talent pool that are industry ready!

Looking forward to hearing back from you and successively address the students regarding the same if given a date in March.

Dear Sir,

Greetings!!

Further to our discussion, please find the details of summer internship program below

Program Duration: 5 Weeks (Online) + 1 Weeks (Offline once the college reopens), 5 Days a Week & 3 Hrs. a Day.

Program Contents: Artificial Intelligence (Python, Machine Learning, Deep Learning)

5-Weeks Online Program: 4-Weeks Training + 1-Week Project Development

1-Week Offline Program: 1-Week Project Building Hackathon (Artificial Intelligence Applications)

Program Cost: Rs. 4500 per (5 Weeks) + Rs.1000 (1-Week Offline Program)

Program Benefits:

1. Hands-on Training on Python, Machine Learning and Artificial Intelligence
2. Mentor support to build atleast two projects (min. 3 members for project)
3. Three Months Access to SmartInternz Platform to work on company specific challenges
4. Guided Labs for Practice
5. Access to Recorded Sessions
6. Project Completion Certificates in collaboration with IBM
7. Internship Letter for 5 Weeks
8. 1-Week Hackathon Certificate (once we finish the activity)

Please have a review and confirm the same.

We will confirm the date of program commencement soon.

Thanks & Regards,

Amarender Katkam

July 13, 2019

TO WHOMSOEVER IT MAY CONCERN

Ms Allipilli Harshitha from Stanley College of Engineering and Technology for Women, Hyderabad worked as an intern under my guidance in the SPIRE Lab at the department of Electrical Engineering, Indian Institute of Science (IISc), Bangalore from June 3, 2019 to July 13, 2019. During this internship period she has worked on prediction of pitch from speech spectrum.

She did a good job in her internship and I wish her all the best in her future endeavors.

Internship Completion Certificate

This is to certify that *Nimmakanti Manaswini* has successfully completed the Python course offered by SkillVertex beginning 1st May 2023 & ending 31st May 2023, which covers the fundamental concepts and applications of Python programming language.

Certificate awarded for the successful completion of the Project on Create A Program That Allows Users To Manage Their Contacts, showcasing exemplary skills and dedication in its execution.

The course covered a wide range of topics, including data types, control structures, functions, modules, file handling, and other related fields. *Nimmakanti Manaswini* has demonstrated a deep understanding of these concepts and has shown an ability to apply them to real-world problems.

During the course, *Nimmakanti Manaswini* actively participated in all learning activities, including lectures, discussions, assignments, and projects. [He/She] consistently demonstrated a high level of engagement and critical thinking skills, which resulted in [his/her] outstanding performance throughout the course.

As such, *Nimmakanti Manaswini* has met all the requirements of the Python course and is hereby awarded this certificate of completion.

We wish *Nimmakanti Manaswini* all the best in [his/her] future endeavors and hope that the knowledge gained from this course will enable [him/her] to excel in the field of Python programming.

Internship Completion Certificate

This is to certify that *Begary Deepthi* has successfully completed the Artificial Intelligence course offered by SkillVertex beginning 1st May 2023 & ending 31st May 2023, which covers the fundamental concepts and applications of Artificial Intelligence.

Certificate awarded for the successful completion of the Project on Phone Unlocking Using Face Id, showcasing exemplary skills and dedication in its execution.

The course covered a wide range of topics, including machine learning, natural language processing, computer vision, robotics, and other related fields. *Begary Deepthi* has demonstrated a deep understanding of these concepts and has shown an ability to apply them to real-world problems.

During the course, *Begary Deepthi* actively participated in all learning activities, including lectures, discussions, assignments, and projects. [He/She] consistently demonstrated a high level of engagement and critical thinking skills, which resulted in [his/her] outstanding performance throughout the course.

As such, *Begary Deepthi* has met all the requirements of the Artificial Intelligence course and is hereby awarded this certificate of completion.

We wish *Begary Deepthi* all the best in [his/her] future endeavors and hope that the knowledge gained from this course will enable [him/her] to excel in the field of Artificial Intelligence.

Internship Completion Certificate

This is to certify that *Nagamalla Laxmi Rachana* has successfully completed the Data Science course offered by SkillVertex beginning 1st May 2023 & ending 31st May 2023, which covers the fundamental concepts and applications of Data Science.

Certificate awarded for the successful completion of the Project on Diabetes, showcasing exemplary skills and dedication in its execution.

The course covered a wide range of topics, including data analysis, data visualization, statistical inference, machine learning, and other related fields. *Nagamalla Laxmi Rachana* has demonstrated a deep understanding of these concepts and has shown an ability to apply them to real-world problems.

During the course, *Nagamalla Laxmi Rachana* actively participated in all learning activities, including lectures, discussions, assignments, and projects. [He/She] consistently demonstrated a high level of engagement and critical thinking skills, which resulted in [his/her] outstanding performance throughout the course.

As such, *Nagamalla Laxmi Rachana* has met all the requirements of the Data Science course and is hereby awarded this certificate of completion.

We wish *Nagamalla Laxmi Rachana* all the best in [his/her] future endeavors and hope that the knowledge gained from this course will enable [him/her] to excel in the field of Data Science.

On behalf of Dazeworks Technologies Private Limited (the "Company"), I am pleased to confirm our offer of employment to you as Trainee. We extend this offer, and the opportunity it represents, with great confidence in your abilities. You have made a favourable impression with everyone you interacted with and we are excited with the prospect of you joining our organization on 19th June 2019. Your initial place of posting is Kochi and you will be reporting to Mr Shivanath Devinarayanan. You will have the privilege of working from home subject to your manager's approval. However, depending upon the requirement, the company can transfer you to any other location.

Your training period with us will be governed by the Terms and Conditions as detailed in Annexure, as well as any and all rules, regulations, guidelines, policies, procedures and practices of the Company, which may be amended from time to time. During your training period you shall be provided with a stipend of Rs 10,000 per month which shall be deposited to your bank account.

We would like you to join the Company on 19th June 2019. Please note that in case you do not join us by the due date, the offer stands withdrawn. At the time of joining, it is mandatory for you to submit the documents mentioned below:

- Copy of your passport
- Copy of the PAN card
- Copy of Aadhar Card
- Copy of educational certificates
- Three color passport photographs (Self)

This offer letter, together with the Annexures described herein, supersedes all other previous or contemporaneous oral or written representations, understandings or agreements relating to the subject matter of this offer between you and the Company or its affiliates.

This offer of training is subject to the satisfactory reference checks and verification of documents. During the reference check, if any information provided by you in Application Form/Interview is found to be incorrect/false, the Company reserves the right to withdraw this offer without further notice.

The formal offer letter will be issued to you after your joining only post submission of all your joining documents. As a token of your acceptance of our offer and the terms of employment described herein, please sign in the space provided below indicating your acceptance of our offer and deliver the duplicate copy of the duly signed offer letter to us at hr@dazeworks.com within three (3) days of receipt of this letter, after which period this offer shall lapse automatically.

Annexure - Employment Terms & Conditions

1. Commencement and Terms of Employment

- a. Your effective date of employment will be 19th June 2019 ("Effective Date").
- b. You agree that you will at all times faithfully, industriously, and to the best of your skill, ability, experience and talents, perform all of the duties required of your position. In carrying out these duties and responsibilities, you shall comply with this Agreement, all company policies, procedures, rules and regulations, both written and oral, as are announced by the Company, from time to time. It is also understood and agreed to by you that your assignment, duties and responsibilities and reporting arrangements may be changed by the Company, in its sole discretion, without causing termination of this Agreement. This Agreement provides a summary of the main terms and conditions of your employment with the Company. Your attention is also drawn to the Company Policies and Procedures manual (collectively referred to as the "Handbook") which describe in further detail, various other employment practices, such as claiming and payment of business expenses, and policies such as those on Leave & Holidays, Sexual Harassment, Use of Technology and Health and Safety, with which the Company expects you to comply. A copy of the Handbook is available for your use from your manager/ HR Team. The Handbook is reviewed from time to time and any revisions published as amendments.
- c. Probation Period: You shall be on probation for a period of 3 months ('Initial Probation Period') from the Effective Date of your employment with the Company. Notwithstanding anything contained herein, during your Initial Probation Period, the Company may terminate your employment with 5 (Five) days' notice, and with or without stating any reason whatsoever. Notwithstanding anything to the contrary contained herein, the Company may, in its sole discretion, at any time, extend this period of probation for an additional specified period ('Extended Probation Period'), upon notice to you. Your employment with the Company will be confirmed upon the satisfactory performance and completion of your total Probation Period (whether Initial or Extended), unless otherwise communicated to you by the Company.

2. Terms and Scope of Employment

- a. You will be employed in the position of *Trainee*. Your initial duties and responsibilities will be briefed to you in the new employee orientation program or by your manager.
- b. Your principal place of work as on the Effective Date shall be at *Kochi* or at such other place as may be designated by the Company. You may be transferred, at the sole and absolute discretion of the Company, to any place in India or outside India, on terms and conditions not less favourable than those contained in this Agreement. You may be required to travel both inside and outside India on the business of the Company in the due performance of your duties, from time to time. The Company may also depute you to any work or assign you to any client, associate company, branch, office, subsidiary or other companies, concerns, organizations, or firms with whom the Company may make any such arrangement or agreement. You will at all times need to keep your passport valid and current.

3. Compensation

- a. During the training period you will receive Rs.10,000 per month stipend. Upon completion of your training successfully your compensation will be reviewed as per the company policy
- b. Your compensation will be reviewed in future as per the company policy.

4. Non-Competition Obligations:

a. Commitments & Dealings: You will not enter into any commitments or dealings on behalf of the Company, for which you have no express authority nor alter or be a party to any alteration of any principle or policy of the Company or exceed the authority or discretion vested in you without the previous sanction of the Company, or those in authority over you.

b. Singularity of Service: You will not, without our previous written permission of the Company, carry on any business, or enter for any part of your time, in any capacity, the services of, or be employed by, any other firm, company or person. You will devote your whole time and attention to your duties to promote the interests of the Company.

c. You agree that, during the term of employment and for a period of 24 months thereafter, you shall not directly or indirectly engage in, be employed by, manage, operate, render services for, carry on, or participate in (whether as owner, partner, consultant, employee, or otherwise, in any capacity whatsoever) any business which is in competition directly or indirectly with the business of the Company, except wherein you have obtained the prior written consent of the Company.

d. You agree that, during the term of your engagement with the Company, and for a period of 24 months thereafter, you shall not directly or indirectly approach, solicit, or endeavour to entice away other employees from the Company, individually or on behalf of any other person, company, or entity. This includes the invitation of any director or employee of Dazeworks Technologies Pvt Ltd to join you or any other person, company, or entity as a partner, co-founder, employee, investor, or otherwise.

e. For a period of 24 months after the cessation of your employment with the Company, you will not solicit from the Company, or perform for any Client Customer (as that term is defined below), directly or indirectly, in any jurisdiction where the Company does business, any type of services that you performed while employed by the Company.

5. Intellectual Property Rights Ownership:

If during the course of your duties you make any discovery or invention or secret process or improvement in procedure or make any literary or artistic work or computer program relevant to, or capable of use in, the business of the Company then you must disclose all facts and details to the Company as it may require, and such discovery, invention, secret process, or improvement in procedure, literary or artistic work or computer program and all intellectual property rights relating thereto, shall belong to and be the absolute property of the Company. At the request and expense of the Company, you shall give and supply all such information, data, drawings and assistance as may be necessary or in the opinion of the Company desirable to enable the Company to exploit the intellectual property to the best advantage (as decided by the company). You shall execute all documents and do all things which may, in the opinion of the Company, be necessary or desirable for obtaining patent or other protection for the intellectual property and for vesting the same in the Company, as the Company may direct. You also agree to execute any additional documents subsequent to your employment with the Company, as may be necessary for the Company to perfect its title in the intellectual property.

Principal

Stanley College of Engg. & Tech. for Women (A)
Chaitanya Road, A.S. Road, Hyderabad-500 001

6. Data Protection:

You consent to the Company holding and processing, both electronically and manually, the data it collects in relation to you, in the course of your employment, for the purpose of the Company's administration and management of its employees, its business and for compliance with applicable procedures, laws and regulations. You also consent to the transfer, storage and processing by the Company of such data outside India, where the Company may have its offices, and to the sharing of such data with prospective buyers, acquirers and partners of the Company's business. You also agree that you will not be sharing any details personal or professional with anyone inside or outside the firm without prior written consent from the company.

7. Confidentiality of salary information:

a. Your salary package is based on, besides your overall experience level in the industry, your educational qualifications and the experience and knowledge level assessed at the time of selection, particularly in the skill sets relevant. Therefore, the salary package offered to you is peculiar and personal to you. Any comparison of the same with the salary packages of other employees, based purely on the total experience level in the industry, may be unrealistic, misleading and invidious.

b. You are required to strictly maintain the secrecy of and ensure that you don't divulge or communicate in any manner, any information regarding your remuneration/terms of employment, to any other employee of the Company, except Directors/Heads of HR department of the Company.

c. In a similar way, when deputed to work / interact at the client site, you are expected not to discuss or disclose the same to any member of the client staff, in the interest of maintaining and promoting good and ethical functional business relations with our clients.

8. Severability:

This Agreement supersedes any prior or subsisting agreement, correspondence or arrangement, including but not limited to any service agreement or contract of employment (oral or otherwise), made between the Company and you in relation to your employment and any such agreement(s) shall be deemed to have been terminated by mutual consent with effect from the Effective Date.

9. Termination of Employment:

a. Notice of termination: Each party agrees to provide the other party with **Three Months** prior written notice for termination of employment or payment of two months' salary in lieu of notice of termination. Notwithstanding the above, in the event that you desire to terminate your employment with the Company, the Company shall have the sole discretion to relieve you only after the completion of a Company assignment, where the same has not yet been completed by you. Provided, however, that the Company may terminate your employment at any time without notice or payment in lieu of notice if such termination arises as the result of your misconduct, negligence and/or breach and/or Global Code of Conduct. Notwithstanding other provisions of this Agreement, the procedures for termination of employment and any associated payment settlement will be subject to management's sole discretion.

b. In the event of termination, the Company shall not be obliged to make any payment to you save for, the amount of salary and benefits any remuneration (and payment in lieu of any un-availed leave, if applicable) actually accrued (on a pro rata basis) up to and including the date of such termination. The Company shall be entitled to deduct from such payment, any sums owing to the Company from you, which deduction you expressly hereby consent and authorize. Termination of the Agreement (for breach

of terms of employment) would be without prejudice to: (a) The Company's right to claim the actual damages it has suffered through the breach by you of any terms and conditions hereto; and (b) Any other relief to which the Company may be entitled under contract, law or equity.

c. In the event that you are incapacitated by ill health, accident or any other cause from performing your duties under this Agreement for a period of 60 working days or more (whether consecutive or not) in any continuous period of 12 months, the Company may terminate this Agreement by giving you one month's written notice (whether or not you remain incapacitated and unable to perform your duties under this Agreement), provided that you shall receive all benefits lawfully due to you under this Agreement calculated up to the date of termination of employment.

d. Upon the termination or cessation of your employment with the Company for any cause whatsoever, you shall immediately deliver up to the Company or its authorized representative, any property or documents of the Company which may be in your possession, custody or under your control, including, without limitation, mobile phone, laptop, memoranda, correspondence, notes, records, reports, sketches, plans, letter heads, visiting cards or other documents and any copies or reproductions thereof in any medium whatsoever, and all other confidential information, whether or not the property was originally supplied to you by the Company. If so requested, you shall provide to the Company a signed statement confirming that you have fully complied with this Clause.

e. Without prejudice to any other right available under law, the Company reserves the right to make reasonable deductions from your full and final salary payment or any other amount due to you, in the event you fail to return all the property of the Company which is in your possession, or return it in a damaged state, other than due to normal wear and tear.

Govardhana Abhignya, we are pleased that you are interested in Dazeworks and we look forward to working with you. We believe that you will find Dazeworks an exciting and fulfilling place to work.

Enclosed: Annexure A – Compensation & Benefits
Enclosed: Annexure B – Employment Terms & Conditions

Mr/Ms. Jallypally Shreya

Acceptance:
I, **Jallypally Shreya**, have read and understood the terms and conditions of the employment offer, and do hereby agree and accept the same. I will join the Company on **19th June 2019**

Shreya
shriyjallypally12@gmail.com

Please sign acceptance

Annexure - Employment Terms & Conditions

1. Commencement and Terms of Employment

- a. Your effective date of employment will be 19th June 2019 ("Effective Date").
- b. You agree that you will at all times faithfully, industriously, and to the best of your skill, ability, experience and talents, perform all of the duties required of your position. In carrying out these duties and responsibilities, you shall comply with this Agreement, all company policies, procedures, rules and regulations, both written and oral, as are announced by the Company, from time to time. It is also understood and agreed to by you that your assignment, duties and responsibilities and reporting arrangements may be changed by the Company, in its sole discretion, without causing termination of this Agreement. This Agreement provides a summary of the main terms and conditions of your employment with the Company. Your attention is also drawn to the Company Policies and Procedures manual (collectively referred to as the "Handbook") which describe in further detail, various other employment practices, such as claiming and payment of business expenses, and policies such as those on Leave & Holidays, Sexual Harassment, Use of Technology and Health and Safety, with which the Company expects you to comply. A copy of the Handbook is available for your use from your manager/ HR Team. The Handbook is reviewed from time to time and any revisions published as amendments.

c. Probation Period: You shall be on probation for a period of 3 months ('Initial Probation Period') from the Effective Date of your employment with the Company. Notwithstanding anything contained herein, during your Initial Probation Period, the Company may terminate your employment with 5 (Five) days' notice, and with or without stating any reason whatsoever. Notwithstanding anything to the contrary contained herein, the Company may, in its sole discretion, at any time, extend this period of probation for an additional specified period ('Extended Probation Period'), upon notice to you. Your employment with the Company will be confirmed upon the satisfactory performance and completion of your total Probation Period (whether Initial or Extended), unless otherwise communicated to you by the Company.

2. Terms and Scope of Employment

a. You will be employed in the position of *Trainee*. Your initial duties and responsibilities will be briefed to you in the new employee orientation program or by your manager.

b. Your principal place of work as on the Effective Date shall be at *Kochi* or at such other place as may be designated by the Company. You may be transferred, at the sole and absolute discretion of the Company, to any place in India or outside India, on terms and conditions not less favourable than those contained in this Agreement. You may be required to travel both inside and outside India on the business of the Company in the due performance of your duties, from time to time. The Company may also depute you to any work or assign you to any client, associate company, branch, office, subsidiary or other companies, concerns, organizations, or firms with whom the Company may make any such arrangement or agreement. You will at all times need to keep your passport valid and current.

3. Compensation

- a. During the training period you will receive Rs.10,000 per month stipend. Upon completion of your training successfully your compensation will be reviewed as per the company policy
- b. Your compensation will be reviewed in future as per the company policy.

Signature
Principal
Stanley College of Engg. & Tech. for Women (A)
Chapel Road, Abids, Hyderabad-500 001.

4. Non-Competition Obligations:

a. Commitments & Dealings: You will not enter into any commitments or dealings on behalf of the Company, for which you have no express authority nor alter or be a party to any alteration of any principle or policy of the Company or exceed the authority or discretion vested in you without the previous sanction of the Company, or those in authority over you.

b. Singularity of Service: You will not, without our previous written permission of the Company, carry on any business, or enter for any part of your time, in any capacity, the services of, or be employed by, any other firm, company or person. You will devote your whole time and attention to your duties to promote the interests of the Company.

c. You agree that, during the term of employment and for a period of 24 months thereafter, you shall not directly or indirectly engage in, be employed by, manage, operate, render services for, carry on, or participate in (whether as owner, partner, consultant, employee, or otherwise, in any capacity whatsoever) any business which is in competition directly or indirectly with the business of the Company, except wherein you have obtained the prior written consent of the Company.

d. You agree that, during the term of your engagement with the Company, and for a period of 24 months thereafter, you shall not directly or indirectly approach, solicit, or endeavour to entice away other employees from the Company, individually or on behalf of any other person, company, or entity. This includes the invitation of any director or employee of Dazeworks Technologies Pvt Ltd to join you or any other person, company, or entity as a partner, co-founder, employee, investor, or otherwise.

e. For a period of 24 months after the cessation of your employment with the Company, you will not solicit from the Company, or perform for any Client/Customer (as that term is defined below), directly or indirectly, in any jurisdiction where the Company does business, any type of services that you performed while employed by the Company.

5. Intellectual Property Rights Ownership:

If during the course of your duties you make any discovery or invention or secret process or improvement in procedure or make any literary or artistic work or computer program relevant to, or capable of use in, the business of the Company then you must disclose all facts and details to the Company as it may require, and such discovery, invention, secret process, or improvement in procedure, literary or artistic work or computer program and all intellectual property rights relating thereto, shall belong to and be the absolute property of, the Company. At the request and expense of the Company, you shall give and supply all such information, data, drawings and assistance as may be necessary or in the opinion of the Company desirable to enable the Company to exploit the intellectual property to the best advantage (as decided by the company). You shall execute all documents and do all things which may, in the opinion of the Company, be necessary or desirable for obtaining patent or other protection for the intellectual property and for vesting the same in the Company, as the Company may direct. You also agree to execute any additional documents, subsequent to your employment with the Company, as may be necessary for the Company to perfect its title in the intellectual property.

6. Data Protection:

You consent to the Company holding and governing, both electronically and manually, the data it collects in relation to you, in the course of your employment, for the purpose of the Company's administration and management of its employees, its business and for compliance with applicable procedures, laws and regulations. You also consent to the transfer, storage and processing by the Company of such data outside India, where the Company may have its offices, and to the sharing of such data with prospective buyers, acquirers and partners of the Company's business. You also agree that you will not be sharing any details personal or professional with anyone inside or outside the firm without prior written consent from the company.

7. Confidentiality of salary information:

a. Your salary package is based on, besides your overall experience level in the industry, your educational qualifications and the experience and knowledge level assessed at the time of selection, particularly in the skill sets relevant. Therefore, the salary package offered to you is peculiar and personal to you. Any comparison of the same with the salary packages of other employees, based purely on the total experience level in the industry, may be unrealistic, misleading and unwarranted.

b. You are required to strictly maintain the secrecy of and ensure that you don't divulge or communicate in any manner, any information regarding your remuneration/terms of employment, to any other employee of the Company, except Director/Head of HR department of the Company.

c. In a similar way, when deputed to work interact at the client site, you are expected not to discuss or disclose the same to any member of the client staff in the interest of maintaining and promoting good and ethical functional business relations with our clients.

8. Severability:

This Agreement supersedes any prior or subsisting agreement, correspondence or arrangement, including but not limited to any service agreement or contract of employment (oral or otherwise), made between the Company and you in relation to your employment and any such agreement(s) shall be deemed to have been terminated by mutual consent with effect from the Effective Date.

9. Termination of Employment:

a. Notice of termination: Each party agrees to provide the other party with **Three Months** prior written notice for termination of employment or payment of two months' salary in lieu of notice of termination. Notwithstanding the above, in the event that you desire to terminate your employment with the Company, the Company shall have the sole discretion to advise you only after the completion of a Company assignment, where the same has not yet been completed by you. Provided, however, that the Company may terminate your employment at any time without notice or payment in lieu of notice if such termination arises as the result of your misconduct, negligence and/or breach and/or Global Code of Conduct. Notwithstanding other provisions of this Agreement, the procedures for termination of employment and any associated payment settlement will be subject to management's sole discretion.

b. In the event of termination, the Company shall not be obliged to make any payment to you save for, the amount of salary and benefits and remuneration (and payment in lieu of any un-utilized leave, if applicable) actually accrued (in a pro rata basis) up to and including the date of such termination. The Company shall be entitled to deduct from such payment, any sums owing to the Company from you, which deduction you expressly hereby consent and authorize. Termination of the Agreement (for breach

Principal
Stanley College of Engg. & Tech. for Women (A)
Chapel Road, Abid, Hyderabad-500 091.

of terms of employment) would be without prejudice to: (a) The Company's right to claim the actual damages it has suffered through the breach by you of any terms and conditions hereto; and (b) Any other relief to which the Company may be entitled under contract, law or equity.

c. In the event that you are incapacitated by ill health, accident or any other cause from performing your duties under this Agreement for a period of 60 working days or more (whether consecutive or not) in any continuous period of 12 months, the Company may terminate this Agreement by giving you one month's written notice (whether or not you remain incapacitated and unable to perform your duties under this Agreement), provided that you shall receive all benefits lawfully due to you under this Agreement calculated up to the date of termination of employment.

d. Upon the termination or cessation of your employment with the Company for any cause whatsoever, you shall immediately deliver up to the Company or its authorized representative, any property or documents of the Company which may be in your possession, custody or under your control, including, without limitation, mobile phone, laptop, memoranda, correspondence, notes, records, reports, sketches, plans, letter heads, visiting cards or other documents and any copies or reproductions thereof in any medium whatsoever, and all other confidential information, whether or not the property was originally supplied to you by the Company. If so requested, you shall provide to the Company a signed statement confirming that you have fully complied with this Clause.

e. Without prejudice to any other right available under law, the Company reserves the right to make reasonable deductions from your full and final salary payment or any other amount due to you, in the event you fail to return all the property of the Company which is in your possession, or return it in a damaged state, other than due to normal wear and tear.

Jallypally Shreya, we are pleased that you are interested in Dazeworks and we look forward to working with you. We believe that you will find Dazeworks an exciting and fulfilling place to work.

INTERNSHALA TRAININGS

Certificate of Training

JAMALPUR YASHASWINI

from Stanley College Of Engineering & Technology For Women has successfully completed a 6-week online training on **Data Science**. The training consisted of Introduction to Data Science, Python for Data Science, Understanding the Statistics for Data Science, Predictive Modeling and Basics of Machine Learning, and The Final Project modules.

In the final assessment, JAMALPUR scored 64% marks.
We wish JAMALPUR all the best for future endeavours.

TO WHOM IT MAY CONCERN

This is to certify that Ms. Sravanthi Lakshmi Gunampalli, studying BE (Artificial Intelligence & Data Science), has done her internship under my guidance at the Department of Climate Change, IIT Hyderabad from May 9, 2023 to July 9, 2023.

She has worked on a project that revolved around the prediction and analysis of air pollutants in Shadipur, a residential and industrial area of Delhi, India, before, during, and after the COVID-19 lockdown. This project was aimed at analyzing air pollution data for multiple years and provide with statistics, forecast and visualize the results. As part of the project, she has worked on various models for analysis and forecast.

During her internship she has demonstrated her skills with self-motivation to learn new applications and tools. Her performance exceeded our expectations, and she was able to complete the project on time.

We wish her all the best for her upcoming career.

Truly,

Gatya Prasad

TO WHOM IT MAY CONCERN

This is to certify that Ms. Gandla Vaishnavi, studying BE (Computer Engineering), has done her internship under my guidance at the Department of Climate Change, IIT Hyderabad from May 9, 2023 to July 9, 2023

She has worked on a project that revolved around the prediction and analysis of air pollutants in Shadipur, a residential and industrial area of Delhi, India, before, during, and after the COVID-19 lockdown. This project was aimed at analyzing air pollution data for multiple years and provide with statistics, forecast and visualize the results. As part of the project, she has worked on various models for analysis and forecast.

During her internship she has demonstrated her skills with self-motivation to learn new applications and tools. Her performance exceeded our expectations, and she was able to complete the project on time.

We wish her all the best for her upcoming career.

Truly,

TO WHOM IT MAY CONCERN

This is to certify that Ms. Uppala Sushmitha, studying BE (Computer Engineering), has done her internship under my guidance at the Department of Climate Change, IIT Hyderabad from May 15, 2023 to July 15, 2023.

She has worked on a project that revolved around predicting and analyzing Health Parameters of air pollutants in Shadipur, a residential and industrial area of Delhi, India, before, during, and after the COVID-19 lockdown. This project was aimed at analyzing air pollution data for multiple years and provide with pollutant statistics, forecasts and visualizing the results. As part of the project, she has worked on creating Statistics of all health parameters and created various models for analysis and forecast using AI and ML models.

During her internship, she demonstrated her skills with self-motivation to learn new applications and tools. Her performance exceeded our expectations, and she was able to complete the project on time.

We wish her all the best for her upcoming career.

Truly,

Dr. Ambika S

INTERNSHIP OFFER LETTER

OIB/L1/IP6749

Dear Bussu Sathvika

7/1/2023

We are delighted to welcome you for the internship of **Web Development and Designing** in our fellowship. This internship is observed by **Oasis Infobyte** as being a learning opportunity for you.

In essence, your internship will embrace orientation and give emphasis on learning new skills with a deeper understanding of concepts through hands-on application of the knowledge you gained as an intern. Our team is confident that you will acknowledge your obligation to perform all work allocated to you to the best of your ability within lawful and reasonable direction given to you.

We look forward to a worthwhile and fruitful association which will make you equipped for future projects, wishing you the most enjoyable and truly meaningful internship program experience.

Thank you

SUB: INTERNSHIP COMPLETION LETTER

This is to certify that Amani Yar Khan has successfully completed her internship at Samtek Inc from June 21 2023 to August 16 2023.

During her internship, she actively participated in website development. She was extremely inquisitive and willing to put best efforts to provide value. She showed great technical progress with HTML using bootstrap classes. We wish all the best for his/her future endeavors.

Thanks,

Kruti Naik
