KALAKRUTHI

CULTURAL CLUB

AIM

Kalaruthi aims to bring multiple talents together. It is a platform to display your talents, learn new ones, socialize, gain confidence, and do something for the betterment of the college or society.

ABOUT THE CLUB

Kalacruthi is the best way to let your talents shine. This club is formed and officially inaugurated on 29th November 2022, in the department of **Computer Engineering and Artificial Intelligence & Data Science (ADCE)**, for all the people who like to conduct events, show off their talents, learn new ones, socialize, gain confidence, do something for the betterment of the college or society, or even just have some fun.

Faculty Coordinator --- Asma Begum

Kalacruthi is going to be the perfect platform to showcase students' talent. With the lockdown having left them with a whole lot of leisure time, lots of people have picked up some very interesting skills, perhaps playing a musical instrument or a newfound love for poetry? Some people are shy, and inside their bubbles, so this is the ideal way to overcome their fears. *Kalacruthi* provides a chance to show your talents to the crowd!

Being a part of a club or a society helps you to gain knowledge, skills, and experience in leadership, communication, group development, management, presentation, and public speaking.

After joining the club, they get the chance to socialize, meet new people, make friends and get inspired! Seeing someone else show their talents confidently certainly helps anyone become more confident too, and we believe that they may even pick up new skills by getting inspired by others!

All sorts of talents are encouraged here! They can be -

Singing

Dancing

Mimicry

Poetry

Art showcase/ illustrations

Stand-up comedy

Beatboxing

And many more!

EYE MAKEUP EVENT

INTERNATIONAL WOMEN'S DAY 2023

NAME OF ACTIVITY : Eye Makeup Event

OBJECTIVE:

Eye Makeup was an exciting event open for all the Creative Makeup artist organized by the CSE & ADCE Department of Stanley College of Engineering and Technology for Women on the occasion of INTERNATIONAL WOMEN'S DAY held on 6th March,2023.

BENEFITS:

It aims to bring out wonderful patterns or styles in makeup category and bring out the students talents .This competition also had a motive to inculcate among the learners an interest in makeup customs.

ACADEMIC YEAR: 2022-2023

INVITATION :

Good Evening to all,

You are invited for the **Eye Make Up competition** on the occasion of International Women's Day conducted by the departments of CSE and ADCE

Venue: Stanley College of Engineering and Technology for Women, E-block, Lab 3& 4

Date & Time: 06/03/23, 10:30 AM - 11:30 AM

Follow the below link for free registration

KALAKRUTHI

CULTURAL CLUB

AIM

Kalaruthi aims to bring multiple talents together. It is a platform to display your talents, learn new ones, socialize, gain confidence, and do something for the betterment of the college or society.

ABOUT THE CLUB

Kalacruthi is the best way to let your talents shine. This club is formed and officially inaugurated on 29th November 2022, in the department of **Computer Engineering and Artificial Intelligence & Data Science (ADCE)**, for all the people who like to conduct events, show off their talents, learn new ones, socialize, gain confidence, do something for the betterment of the college or society, or even just have some fun.

Faculty Coordinator --- Asma Begum

Kalacruthi is going to be the perfect platform to showcase students' talent. With the lockdown having left them with a whole lot of leisure time, lots of people have picked up some very interesting skills, perhaps playing a musical instrument or a newfound love for poetry? Some people are shy, and inside their bubbles, so this is the ideal way to overcome their fears.

Kalacruthi provides a chance to show your talents to the crowd!

Being a part of a club or a society helps you to gain knowledge, skills, and experience in leadership, communication, group development, management, presentation, and public speaking.

After joining the club, they get the chance to socialize, meet new people, make friends and get inspired! Seeing someone else show their talents confidently certainly helps anyone become more confident too, and we believe that they may even pick up new skills by getting inspired by others!

All sorts of talents are encouraged here! They can be -

Singing

Dancing

Mimicry

Poetry

Art showcase/ illustrations

Stand-up comedy

Beatboxing

And many more!

Name of the Activity:

MEHNDI COMPETITION

Objective of the Activity (Max of 100 Words):

'MEHNDI COMPETITION' was an exciting event open for all the Creative mehndi designers organized by the CSE & ADCE Department of Stanley College of Engineering and Technology for Women in the INTERNATIONAL WOMEN'S DAY on 6th March, 2023 . It aims to develop the students ability to create beautiful designs on different themes. This competition also had a motive to inculcate among the learners an interest in tradition and customs of India exhibited on various festive occasions.

Benefits of Activity (Max of 150 Words):

- With this event new ideas are explored by the students from our institution.

Academic Year: 2022-2023

Start Date: 06/03/2023.

EYE MAKEUP EVENT

INTERNATIONAL WOMEN'S DAY 2023

NAME OF ACTIVITY : Eye Makeup Event

OBJECTIVE:

Eye Makeup was an exciting event open for all the Creative Makeup artist organized by the CSE & ADCE Department of Stanley College of Engineering and Technology for Women on the occasion of INTERNATIONAL WOMEN'S DAY held on 6th March,2023.

BENEFITS:

It aims to bring out wonderful patterns or styles in makeup category and bring out the students talents .This competition also had a motive to inculcate among the learners an interest in makeup customs.

ACADEMIC YEAR: 2022-2023

INVITATION :

Good Evening to all,

You are invited for the **Eye Make Up competition** on the occasion of International Women's Day conducted by the departments of CSE and ADCE

Venue: Stanley College of Engineering and Technology for Women, E-block, Lab 3& 4

Date & Time: 06/03/23, 10:30 AM - 11:30 AM

Follow the below link for free registration

<https://forms.glc/sSAjyH6gMNX4yyjbA>

KALAKRUTHI

CULTURAL CLUB

AIM

Kalaruthi aims to bring multiple talents together. It is a platform to display your talents, learn new ones, socialize, gain confidence, and do something for the betterment of the college or society.

ABOUT THE CLUB

Kalacruthi is the best way to let your talents shine. This club is formed and officially inaugurated on 29th November 2022, in the department of **Computer Engineering and Artificial Intelligence & Data Science (ADCE)**, for all the people who like to conduct events, show off their talents, learn new ones, socialize, gain confidence, do something for the betterment of the college or society, or even just have some fun.

Faculty Coordinator --- Asma Begum

Kalacruthi is going to be the perfect platform to showcase students' talent. With the lockdown having left them with a whole lot of leisure time, lots of people have picked up some very interesting skills, perhaps playing a musical instrument or a newfound love for poetry? Some people are shy, and inside their bubbles, so this is the ideal way to overcome their fears.

Kalacruthi provides a chance to show your talents to the crowd!

Being a part of a club or a society helps you to gain knowledge, skills, and experience in leadership, communication, group development, management, presentation, and public speaking.

After joining the club, they get the chance to socialize, meet new people, make friends and get inspired! Seeing someone else show their talents confidently certainly helps anyone become more confident too, and we believe that they may even pick up new skills by getting inspired by others!

All sorts of talents are encouraged here! They can be -

Singing

Dancing

Mimicry

Poetry

Art showcase/ illustrations

Stand-up comedy

Beatboxing

And many more!

SPORTS MEET- 2023

Report on Sports Meet 2023-2024

Name of the event: "TECH TRAPT"

Date and Time	11-03-2023 to 25-03-2023
Event Venue	M.D.C.W
Organized by	The M.D.C.W
Targeted Audience	CME Department 1 year students and 2 year students

Introduction

The sports meet began with a March Past. After March passed, the students of the different colleges competed against each other in various sports. The event included sports like Kabaddi, Karo Cho, Table-tennis, Basketball.

Agenda of the event:

- March Past
- Sports from the organizers
- Karo Cho
- Kabaddi
- Table-tennis
- Basketball

The event commenced with a warm welcome from the M.D.C.W college. They extended a heartfelt greeting to the new students and emphasized the importance of sports in physical health of the students. This sports meet aimed to boost the physical strength in the students. Different colleges in the city showed their excellence in the sports. Organizers of respective teams, understood the importance of their teams and the upcoming sports events like an outstanding. In addition to the main sports from mentioned earlier, the Sports Meet organized by M.D.C.W included a range of different sports to enhance the overall physical fitness for the students.

Kabaddi:

Kabaddi is basically a combative sport, with seven players on each side; played for a period of 40 minutes with a 5 minutes break (20-5-20). The core idea of the game is to score points by raiding into the opponent's court and touching as many defense players as possible without getting caught on a single breath. One player, chanting Kabaddi!!! Kabaddi!!! Kabaddi!!! Charges into the opponent court and try to touch the opponent closest to her, while the seven opponents make maneuvers to catch the attacker.

Kho-Kho:

Kho kho is played on a rectangular court with a central lane connecting two poles which are at either end of the court. During the game, nine players from the chasing team (attacking team) are on the field, with eight of them sitting (crouched) in the central lane, while three runners from the defending team run around the court and try to avoid being touched. Each sitting player on the chasing team faces the opposite direction of their adjacent teammates.

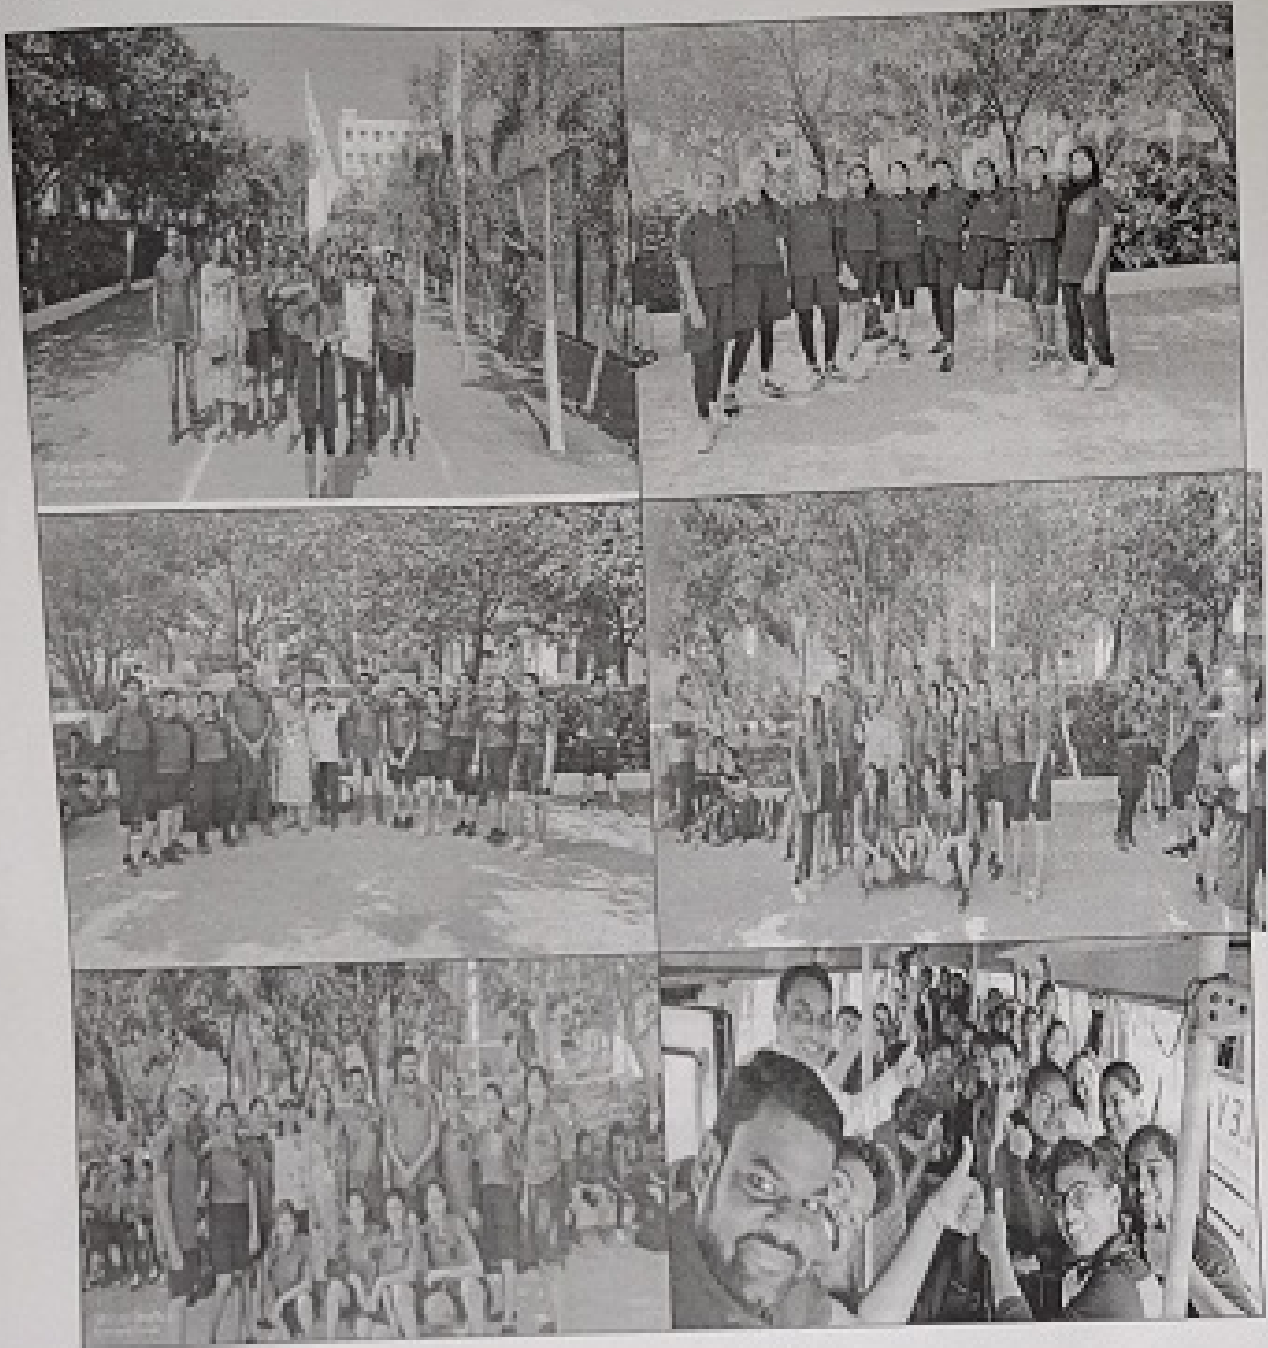

Throwball:

Throwball is a non-contact ball sport played across a net between two teams of nine players on a rectangular court. An official game is played between two teams of nine or seven players. A minimum of three or five substitute players are allowed for each team, which can make a maximum of three substitutions during a set. A team can take two time-outs of 30 seconds each during a set. The first team to score 25 points wins a set. A match is three sets.

Basketball:

Basketball is a team sport in which two teams, most commonly of five players each, opposing one another on a rectangular court, compete with the primary objective of shooting a basketball (approximately 9.4 inches (24 cm) in diameter) through the defender's hoop (a basket 18 inches (46 cm) in diameter mounted 10 feet (3.048 m) high to a backboard at each end of the court), while preventing the opposing team from shooting through their own hoop. A field goal is worth two points, unless made from behind the three-point line, when it is worth three. After a foul, timed play stops and the player fouled or designated to shoot a technical foul is given one, two or three one-point free throws. The team with the most points at the end of the game wins, but if regulation play expires with the score tied, an additional period of play (overtime) is mandated.
