Subject: Further accreditation status on the basis of Compliance Report of the programs in Tier II offered by Stanley College of Engineering and Technology for Women, H. No. 5-78 to 82, B-1-80 & 5-9-81, Chapel Road, Near L.B Stadium, Abids, Hyderabad, Telangana 500001.

Sir,

This is regarding Compliance Report submitted by Stanley College of Engineering and Technology for Women, H. No. 5-78 to 82, B-1-80 & 5-9-81, Chapel Road, Near L.B Stadium, Abids, Hyderabad, Telangana 500001 for the UG Engineering programs which were accredited by NBA in Tier-II for academic years 2018-19 to 2020-21 whose validity of accreditation had expired on 30.06.2021. The programs were granted one-year accreditation up to 30/06/2022 due to the present pandemic situation.

2. An Expert Team conducted data verification of the programs on 03rd June, 2022. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Computer Science & Engineering	Tier-II June, 2015 Document	Accredited	Academic Years 2022-2023 to 2024-2025 i.e. Up to 30-06-2025	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the Competent Authority, whichever is earlier
2.	Electronics & Communication Engineering		Accredited		
3.	Electrical & Electronics Engineering		Accredited		
4.	Information Technology		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation for further 3 years. Stanley College of Engineering and Technology for Women, H. No. 5-78 to 82, B-1-80 & 5-9-81, Chapel Road, Near L.B Stadium, Abids, Hyderabad, Telangana 500001 should submit fresh online application under First Cycle SAR through e-NBA portal at least five months before the expiry of validity of accreditation mentioned above.

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to **Stanley College of Engineering and Technology for Women, H. No. 5-78 to 82, B-1-80 & 5-9-81, Chapel Road, Near L.B Stadium, Abids, Hyderabad, Telangana 500001** as a whole. **As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously.** Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.
6. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.
7. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.
8. A copy each of Report of the Visiting Team in respect of the above programs is enclosed.

Yours faithfully,
