

Stanley College of Engineering and Technology for Women

(Approved by AICTE, Accredited by NBA, NAAC 'A', UGC Autonomous)

Abids, Hyderabad, Telangana – 500001

Institution's Innovation Council – IIC (IC201912063)

Name of the Activity:

2 Level Code Battle

Objective of the Activity (Max of 100 Words):

To enhance and improve programming skills among the students of all the years.

To engage students and encourage them to take part in coding activities.

To provide an equal platform for all the students from all branches to showcase their programming skills.

To check student's ability to rearrange code lines and write correct codes in languages like C and Java.

To build unity and encourage group activities.

To improve a student's debugging skills.

To verify student's ability to come up with a solution code to the question being asked.

Benefits of Activity (Max of 150 Words):

Students get exposure to coding problems, debugging programs in high level languages.

Students get to interact with other students and build their communication skills.

Name of the Activity:

HAUNTED HUNT

Objective of the Activity:

Haunted hunt is basically a dark room that is followed by a treasure hunt where the participant has to find the key from the dark room that they're locked in.

The following are the **Guidelines for the haunted hunt**:

- You have 3 minutes to escape.
- Share the fun, but don't spoil the fun for others!
- Do not mess with outlets or light switches; they are not part of the escape.
- No running or rough housing.
- Do not use any devices to illuminate your way.
- In case of any emergency you will be guided out.
- BE SCARED BUT, BE SAFE.

Total Expenditure: Seven Thousand Five Hundred Rupees only .(7500/-)(approx.)

Name of the Activity:

WEB WIZARD

Objective of the Activity (Max of 100 Words):

Web designing is the process of planning, conceptualizing and implementing the plan for designing a website in a way that is functional and offers a good user experience. It identifies the goals of a website or webpage and promotes accessibility for all potential users.

Benefits of Activity (Max of 150 Words):

A good web design offers with a great web design, you will get a consistent brand identity. A creative website design will attract more viewers and there are more chances of them to stay on your page for a longer period of time. When viewers will be able to relate to your services, they will turn into loyal customers. You can easily compete with your competitors with an impressive web design of your website. Content and design need to be perfectly aligned with the website. So a nice web design will have it all.

Total Expenditure (Attach Details): Rs.

Funded: Internal / External:

S.No	Name of the Funding Agency	Scheme / Sanction Category	Reference Number, if any	Email	Contact
