

7.1.6: Quality audits on environment and energy are regularly undertaken by the institution the institutional environment and energy initiatives are confirmed through the following

1. Green audit / Environmental audit
2. Energy audit
3. Clean and green campus recognitions/awards
4. Beyond the campus environmental promotion and sustainability activities

Report on environmental promotion and sustainability activities conducted beyond the campus with geo-tagged photographs with caption and date.

Stanley strives to create environmental consciousness among stakeholders through sensitization.

- To maintain eco - friendly ambience in the campus the following activities are followed:
- Turning off electronic system after usage. UPS facility for the computer labs, staff rooms, HoDs Cabin with a backup is available.
- Avoiding the use of plastics in serving food in the canteen.
- A course on Environmental Science is incorporated in the curriculum for all the UG students.

The sustainable initiatives taken by the college to make the campus eco - friendly:

Energy Conservation:

- Energy saving bulbs are used in the college campus. Lights are replaced by LED lights to conserve energy.
- The consumption for computer usage is reduced to a large extent by turning off the computers to sleep mode.
- Composing of garden waste and canteen kitchen waste.
- Segregation of waste was carried out in the college campus in separate bins.

Other Measures:

- Guests greeted with saplings. Printing done on both sides of paper.
- Usage of papers is reduced by sending information through WhatsApp and e mail.

GLOBAL GRACE CANCER RUN 2023

Our students actively participated in the 6th edition of the Global Grace Cancer Run, held on October 8, 2023, at Gachibowli, Hyderabad, Telangana. They joined the diverse group of participants in various race categories, including the 5K Fun Run, 10K Timed, and 21.1K Half Marathon, demonstrating their commitment to supporting the cause of cancer awareness and early screening for the underprivileged. The event embodied the spirit of solidarity and determination in combating cancer, making it a memorable and meaningful gathering for all involved.

HANS MARATHON

On September 10, 2023, our esteemed faculty members displayed remarkable enthusiasm and dedication by participating in the Hans Marathon, an event that not only promoted physical fitness but also fostered a strong sense of community and camaraderie within our academic institution. We are proud of our faculty for their active engagement in such endeavoractivities

GRACE CANCER RUN

On October 8, 2023, our dedicated faculty, along with our enthusiastic students, joined forces to participate in the Grace Cancer Run. This remarkable collaboration not only underscored the spirit of unity within our academic community but also showcased our collective commitment to meaningful social causes. By engaging in this event, our faculty set an inspiring example for our students, demonstrating that education extends beyond the classroom

ABOUT THE COLLEGE

Stanley College of Engineering and Technology for Women(A) - a temple of learning was established in the year 2008 on a sprawling 6-acre campus of historic Stanley College campus at Abids, Hyderabad. The college provides a serene and tranquil environment to the students, boosting their mental potential and preparing them in all aspects to face the global competition with a smile on their face and embrace victorious. Stanley College of Engineering and Technology for Women(A) has been established with the Executive Board of the Methodist Church of India which has been gracious and instrumental in making the vision of an Engineering College on this campus a reality. It has been approved by AICTE, New Delhi, and recognized by the Government of Telangana. The College is Accredited by NAAC with an 'A' Grade and All are eligible Under: Graduate (UG) Courses by NBA. It has been sanctioned with six UG-Courses: B.E. in Computer Science Engineering, Electronics and Communication Engineering, Electrical and Electronics Engineering, Information Technology, Computer Engineering and Artificial Intelligence and Data Science as well as three PG Courses: M.Tech in CSE, M.E in Embedded Systems and Master Degree in Business Administration.

OBJECTIVE OF THE Dept.

The main thrust of the ECE Department is to provide better quality education required by the present industry and train the faculty in new technologies periodically to equip themselves in the present global scenario. M. Tech (Embedded Systems). The department of ECE offers' M. Tech

ELIGIBILITY CRITERIA: ION

Participation in this workshop is open to the PG / Research Scholars and student members of the Green Electronics Club and also students of the Science and Engineering streams.

EXPERT SPEAKERS.

Speakers: Dr. R. Hafeez Basha, CEO OTBI-Osmania University Hyderabad

PROGRAM SHEET

STANLEY COLLEGE OF ENGINEERING & TECHNOLOGY FOR WOMEN (AUTONOMOUS)

Hyderabad – 500 001, Telangana

(Affiliated to Osmania University & Approved by AICTE)

(All eligible UG Courses are accredited by NBA & Accredited by NAAC with 'A' Grade)

GREEN ELECTRONICS CLUB, Department of Electronics and Communication Engineering, IEEE, WIE, ISF, NDLI & IIC in association with OTBI-Osmania University, Hyderabad is conducting One - Day Workshop on "Personality Development and Entrepreneurship"

Date: 7th July, 2023

PROGRAM SHEET

07-07-2023		
10.00 A. M	Welcome Address	Dr. G. Karthik, Associate Professor
10.10 A. M	Opening Remarks	Dr. K. N. Sahu, Professor, Head Dept. of ECE
10.20 A. M	Introduction To the Speaker	Mrs. R. Ramya Shree, Assistant Professor
10.30 A. M	Session by Dr. R. Hafeez Basha, CEO.OTBI-Osmania University Hyderabad	
12.20 AM	HIGH TEA	
12.20 P M	Session by Dr. Satya Prasad Lanka, Principal, SCETW	
1.15 PM	Felicitation to the Guest Speaker	
12.00 P. M	Vote of Thanks	Mrs. C.V. Keerthi Latha Assistant Professor

OBJECTIVES OF THE WORKSHOP

The objectives of the workshop were: -

1. To enhance the knowledge and skill of entrepreneurs through several classroom coaching, programs and training
2. To encompass the dynamic construction and deconstruction of integrative characteristics that distinguish an individual in teams of interpersonal behavioral traits

WORKSHOP CAMPAIGNING

The Workshop organizing work started up as soon as the dates were finalized. The coordinators for the event are as mentioned below: -

Coordinators

Dr. G. Karthik, Associate Professor, ECE

Mrs. C. V. Keerthilatha, Assistant Professor, ECE

The campaigning for the Workshop was done in all Departments of the college through Circulars and emails, Instagram. The participants were interdisciplinary.

RESOURCE PERSON

Dr. RHafeez Basha, CEO. OTBI-Osmania University Hyderabad

Dr. Satya Prasad Lanka, Principal SCETW

PARTICIPANTS

The workshop was attended by **111 participants** mainly from student community from ECE and MBA Department. The list of participants and the attendance sheet are attached along with.

WORKSHOP INAUGURATION

The Workshop was opened up with welcome speech by the coordinator welcoming the participants to the workshop. Welcoming all the participants to the workshop was given by Dr. G. Karthik, Coordinator, SPICES. The session started as per scheduled time table and Dr.K. N.Sahu (HOD, ECE)briefed upon the workshop benefits. The session consisted of encouraging the participants on with step-by-step guidance in understanding the healthy way of thinking process, building mental strength and other motivated concepts from the resource person. A detailed presentation was made by Dr. R. Hafeez Basha,CEO. OTBI-Osmania University Hyderabad, regarding the personality development skills and techniques used to improve oneself of gaining self-awareness. followed by Vote of Thanks.

During the sessions, after the explanation is done feedback is taken from the students, were the students mentioned their practical problems in their daily life for which the resource person gave a wonderful solution and motivated them, in the way they should behave and think in the present world. His encouragement to the students also made the students to make themselves comfortable to face the challenges in the present world and become a successful entrepreneur.

WORKSHOP PROGRAM OUTCOMES

The participants agreed on the following recommendations for their future work and are able: -

- Participants will come to know about challenges faced in the present world
- Techniques to develop the healthy habits, skills and good conduct.
- Role of an engineer to become entrepreneur.

All the participants took part in evaluation. A summary of the responses obtained from the participants is as follows:

What Participants Liked about the Workshop

A summary of what the participants liked about the workshop is as follows:

- The overview of Concepts.
- The interaction among participants.
- The environment has helped the instructor to run the session smoothly.

CONCLUSION AND RECOMMENDATIONS

Conclusions

The evaluation of the participants indicated that the workshop was successful. To a large extent, the objectives of the workshop and expectations of the participants were met. Most of the participants were of the view that the program was very informative and gave them an exposure on improving the skills and also got self-awareness

Final Remarks

Green Electronics, Department of Electronics and Communication Engineering, Stanley College of Engineering and Technology wishes to express gratitude to Dr. R. Hafeez Basha, CEO. OTBI-Osmania University Hyderabad who undertook the workshop. The initiation by Dr. G. Karthik, Coordinator, SPICES and Mrs. C. V. Keerthi Latha, Co-Coordinator SPICES is greatly appreciated.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

10th July, 2023

To
The Principal
 Stanley College of Engineering & Technology for Women
 Hyderabad.

Sir,
Sub: Submission of expenditure details and request for approval of the additional expenditure during one day workshop in AICTE SPICES Scheme – regarding.

We (Dr.G.Karthik and Mrs. C.V.Keerthi Latha) coordinators of Green Electronics club associated with AICTE-SPICES. As a part of club activities , organized one day workshop on “**Personality Development & Entrepreneurship**” on 7th July, 2023 at D Block seminar hall. ECE Dept.

The expenditure details are as follows:

Date	Details of expenditure	Amount
07-07-2023	1. Honorarium for Speaker	Rs. 5000.00
	2. Banner	Rs. 400.00
	3. Boquete	Rs. 180.00
	4. Snacks	Rs. 6240.00
	5. Tea	Rs. 240.00
	6. Momento	Rs. 350.00
	7. Travel charges	Rs. 957.00
	8. Last Event Pending Amount	Rs. 14,210.00
Total Expenditure		Rs. 27,577.00
Advance vide Procs No PSC_GE-ECE/AICTE-SPICES/07-2023		(-) Rs.25,000.00

Additional Expenditure

Rs.2,577.00(Rupees Two
Thousand Five Hundred and
Seventy-Seven only)

In this connection, I seek your approval. reimbursement of the additional amount of expenditure mentioned as above and necessary orders.

All expenditure is submitted along with the bills.

Thanking you.

With Regards,

Mrs. C.V. Keerthi Latha
 Assistant Professor, ECE

Dr. Gunta Karthik
 Associate Professor, ECE

❖ PERMISSION LETTER FOR WORKSHOP

Hyderabad,
8 December 2022

To
The Principal,
Stanley Engineering College,
Abids, Hyderabad

Sub: Request For Allocation of Seminar Hall & Funding for Workshop

Respected Sir,

We, Department of EEE are planning to Conduct one day Workshop on 'Energy Conservation' on 14 December 2022 on the occasion of "National Energy Conservation Day".

In this regard, we request you to please allot the E-Block Seminar Hall on 14 December 2022. The Workshop starts at 10 AM by the Resource Person Seminar followed by the Poster Presentation of the students. So, we need Seminar Hall for Full day.

We also request you to kindly allot Rs. 6000/- towards Workshop miscellaneous expenses.

Thanking You,

forwarded to Principal sir
