Event 3– Beat the Heat DATE: 28th May,2019

Students collaborated with AASYA foundation.

Stanlians associated with AASYA foundation have planned to quench during summer by serving butter milk. Our students Srujana, Sruthi, Harshitha, Pranavi from CSE.

The fund was sponsored by Principal. It helped us in serving two big tubs of butter milk near Assembly. It is healthy to stay hydrated, keeping that in mind we thought of helping people in beating the heat during hot afternoon. We served 2500 glasses of butter milk.

This ended successfully with the co-operation of team on 28th May,2019.

Event 1 – PLANTING SAPLINGS DATE: 16TH FEB, 2019

Students collaborated with AASYA foundation .

Aasya foundation, an NGO run by the students joining hands towards planting .

Our students sruthi, Neha from year 2nd and sunandha from 4th year the stanlians had joined their hands in planting. We at Stanley, decided to team up with an NGO and start working like us. we have done this planting session at government school and it was very happy seeing kids participating in this session with lot of interest and with high majority

kids have joined their hands and we all have planted more than 50 saplings.

After planting we have played with them and then we gave them awareness about importance of planting and growing plants nowadays. They had interactive sessions with us and knowing the awareness about planting and then we offered them biscuits and fruit juice.

We have visited ZPHS SCHOOL at Jagathigirinagar on 16th feb,2019.

Interaction with school kids.....

Event 2 – DANCE FOR A CAUSE DATE: 8th mar 2019

Students collaborated with AASYA foundation .

Students have associated with an NGO, Aasya Foundation . 25 Students have gathered together and decided to perform a flash mob in our college and the main motto behind this attempt was to remember our soldiers who have sacrificed their life in Pulama attack. Students have tried to bring awareness about cancer through a skit in public because nowadays it has become common in everyone including small kids. The support from faculty was the best part behind this big successful event.

Event 5 DATE: 24TH August, 2019.

Students collaborated with AASYA foundation.

Students of Stanley came up with another interesting idea to celebrate janamastami at MNJ with real fighters against cancer. Students have planned the event(Neha, Sruthi, Harshitha, Bhumika, Ramya, Deepthi)

They have gathered and Collected all the items for their event and they did shopping for kids to make up them as Krishna and radha . They brought all the toys and interesting accessories . All kids were very excited and even the kids gone through their chemo sessions the kids joined us . They forgot all their pain and enjoyed with us. And students performed dance with kids. And at end of the day we offered them toys, chocolates, fruits and interesting accessories.

The fund for this event was collected by having newspaper drive at our stanley college and the backbone of this big successful event was our principal sir. Huge gratitude to our principal sir.

Event- 7 Awareness on Corona virus DATE: 1st Feb,2020.

Students collaborated with AASYA foundation.

Students of Stanley came up with an event to give awareness to students about the Corona virus with collaboration with an non- governing NGO (Aasya Foundation).

Our students (Sruthi, Bhumika,Ashwini, Shwetha) have planned for this event.

This event was conducted at Government model high school, abids. The motive of the event was to give awareness about the virus from China. We had interactive sessions with the students, described in detail about the history, symptoms and how to prevent themselves before it gets affected. We have conducted quiz among the students so that they would have an energy to know and learn new things.

The outcome of the event was it gave them a clear sketch of the Corona virus and also they oath to stay healthy. We encouraged the students to spread the word of what they learnt to their friends, neighbours, and family members. There were additional points delivered to students like how they need to keep themselves hygiene, how to stay healthy and how to protect themselves from the pollution. This event was successfully conducted and completed on 1st January,2019.

Planting saplings
