GLUG SESSION ON GIT LAB AND LINUX ADMINISTRATION

Event date: 14/08/2021

Topic: Git Lab and Linux Administration

Session taken by: Mr. Pavan (Networking Engineer at SERC)

No. of Attendees: 50

Time taken: 3:00 pm – 5:00 pm

Agenda of the session:

- Introduction to Linux and its Administration

- Introduction and Working of Git

Summary of the session: Mr. Pavan took a very informative session by starting off with Linux Administration. He explained Linux commands and how to use them and what those commands do. A Q&A session was held after the first half of the session, i.e., after the Linux Administration session. The second half of the session was an introduction to Git and the working of Git Lab. Sir also taught us how to create our own project in Git Lab. Another Q&A session was held after this Git Lab session. All doubts were cleared. Overall, it was a very interesting session and a lot was learnt from it.
